with Camp CMS summer
enrichment programs.**

Welcome to Camp CMS 2025!

Our CMS Summer Camp program is specifically designed for invited students to strengthen academic foundations and build the skills needed for grade-level success. These sessions will be led by experienced teachers and support staff who are committed to creating a safe, nurturing, and enriching environment to prepare students for the 2025- 2026 school year.

In addition, our After School Enrichment Program (ASEP) summer camp is open to all students, providing even more opportunities for fun and learning.

This guide offers an overview of all CMS Summer Camp programs and activities available this year. We encourage families to review the information together and talk with their children about their interests and goals for the summer.

If you have questions or need further assistance, please contact your student's current school. We hope your family will take advantage of these summer learning opportunities, and we look forward to welcoming your students this July.

Enrichment Program

ASEP Summer Camp 2025

June 23 – August 8 | Mon.–Fri., 6:45am–6:00pm

ASEP Summer Camp is a fun and enriching seven-week program designed to keep students engaged, active, and inspired all summer long! Each week features a unique theme—from hands-on STEAM activities and exciting sports challenges to creative arts, music, and global adventures. Campers will build teamwork, explore new skills, and participate in special "Thankful Thursday" service projects that give back to the community. With a mix of learning, movement, and creativity, ASEP Summer Camp is the perfect place for students to grow, play, and make unforgettable summer memories!
