2025 SUMMER CAMP INFORMATION

~WEEKLY SPIRIT THEMES~

Camps will have spirit themes each week in addition to weekly curriculum and activity themes.
(Campers can choose to come dressed all week or only on Fridays; either way it's your choice of fun!)

WEEKLY THEME	SPIRIT THEME	DESCRIPTIONS
Around the World in 5 days	It's a Hawaiian Party	Campers can dress in Hawaiian-style clothing like floral shirts/shorts, leis, and grass skirts.
Red, White, and Blue Celebration	USA Week	What a great way to fill summer camp with red, white, and blue. Campers can come dressed to celebrate America in whatever form they choose.
Unique Camping Experiences	Camouflage Week	How much camo attire can you wear? Campers will come dressed in as much camo their hearts desire. Wait...where did all the campers go?!
S.T.E.A.M it Up	Wacky Wear & Hair Week	Campers can mix or clash their outfits. Wear anything that doesn't match like polka dots, plaids, stripes, and wacky colors. As far as hair goes, campers can display creative styles, wacky wigs, and color combinations to make this week one we will talk about for summers to come! Clashing as much as possible is encouraged!
Groove and Move	Fancy, Fabulous Footwear Week	Campers are encouraged to go wild with their shoes and socks. They can wear odd, colorful socks and quirky shoes-the wackier, the better. Which campers will have the funniest socks and shoes?
Sports Mania	Fanatic Fan Week	Represent your favorite sports team as if you are going to a game to cheer them on! Let's see who can wear the most team paraphernalia.
Games Galore	Stoplight Week	Campers can wear "red" if they are the oldest child, "yellow" if they are the middle child and "green" if they are the youngest child and if you're an only child, you can wear all three colors!

**Thankful Thursdays:* Campers will participate in projects every Thursday by giving back to the community-i.e., cards/letters for those that served past or present, "You Rock" art projects for someone special, cards for hospitalized children or those in nursing home facilities to name a few. (Camp Directors will coordinate with community partners)

***Summer Camps are closed July 4th.**

Fees are non-refundable/non-transferable

2025 SUMMER CAMP INFORMATION

Traditional Camps

Traditional camps offer weekly theme-based activities along with fun-filled field trips. Campers will have the opportunity to explore daily outdoor fun, hands-on activities, and tons of summer camp fun!

WEEKLY THEMES:

S.T.E.A.M It Up: Campers will engage in science, technology, engineering, art, and math experiences that will be incorporated into hands-on activities. These hands-on activities will keep campers engaged, intrigued, and foster critical thinking, problem-solving, and the art of creativity.

Sports Mania: Campers will enjoy an action pack, fun-filled week of sports with an emphasis on learning and developing fundamental movement skills they will enjoy. The focus will be on a variety of sports and outdoor games, emphasizing teamwork, and basic skills development for physical activities such as track and field, tennis, basketball and even kickball.

Unique Camping Experience: Campers will enjoy the idea of camping in a unique way. Campers will transform their summer camp into a haven of creativity with simple, nature-inspired arts and crafts.

Red, White, and Blue Celebration: Why not help build campers excitement of an upcoming holiday by providing them with some fun patriotic arts, crafts, and activities? Red, white, and blue activities will occur throughout the week to show appreciation for the 4th of July.

Groove and Move: Campers will learn about different music genres, perform various locomotor movements, and dance sequences while moving to the beat of music. This will increase their heart rates and allow them to learn the importance of aerobic activity and discover ways to keep their bodies healthy and happy.

Games Galore: This week campers will learn skills on how to create and strategize games they create themselves, or at the least, allow them to change the way they play an already familiar game. Creating games allows the campers to investigate the creation of a game and the justification behind rules. Campers will also learn good sportsmanship, as well as being cooperative and able to work together as a team.
