

## CMS STUDENT ENGAGEMENT SURVEY

APRIL 19, 2024

- All students in grades 5-13 can share their thoughts on school climate, safety, and self-efficacy.
- The survey takes approximately 5-10 minutes to complete.
- **Schools are required to administer the survey** to meet federal requirements.
- Survey questions have been vetted and comply with all state legislation.
- **Student participation is entirely voluntary.** A student may choose to opt-out at any point.
- The survey is administered through the online platform Qualtrics. Confidentiality is guaranteed. Schools will not know who participates and cannot connect responses to individual students.
- The survey is available in English, Spanish, Vietnamese, Portuguese, Nepali, French, Burmese, Dari, and Pashto.
- Survey questions are available on the CMS website for review in both English and Spanish.
- Makeup date: April 22nd.
