

Dear Parents and Students,

Welcome to the 2023-24 school year at Park Road Montessori! We are so excited to invite you back and we hope that you are looking forward to a peaceful, purposeful and productive year in your Lower Elementary classroom. We are known as Community 22!

My name is Ms. Sharilyn and I will be your child's teacher this year. This will be my eleventh-year teaching Lower Elementary. I began my teaching career at Highland Mill Montessori after being home with my kids for many years. I graduated from UNC-Chapel Hill and received my Lower Elementary Teaching Credential in 2012. This will be my sixth-year of teaching at Park Road Montessori.

The supply list is included, and I highly recommend bringing those items to Open House to cut down on the First Day of School busyness. **Please label the composition books and watercolor books only.**

***Please contact me as soon as possible so that I can communicate with you!***

Please email using the CMS Park Road Website so that I can confirm your child's transportation and add you to the class email list **before** Meet the Teacher. **I will send an email confirming receipt of your message. If you're accidentally on the PTO website, you will not find staff emails. If you do not receive a confirmation email from me, please assume that I did not receive your email.**

Looking forward to seeing you,

Ms. Sharilyn
