Good Evening Myers Park High School Families,

SEMESTER 2 VIRTUAL CURRICULUM NIGHT:

Please join us for our [VIRTUAL](#) Semester 2 Curriculum Night. Presentations have been provided by our 4X4 semester 2 teachers. If you receive an error message due to the current number of viewers, please check back. The videos will remain available to families over the next week.

REPORT CARDS:

Semester 1 report cards will be distributed tomorrow during a brief homeroom. Students who are absent will be able to pick up a copy of their report card from Student Services beginning next Monday.

Please Note – Some students enrolled in semester 1 English II will have not have a final grade for the course due to delayed EOC scores. Students can check PowerSchool for an updated grade. EOC scores are being entered over the next few “instructional days” and final grades are being calculated.

AP/IB/CCP INFORMATION NIGHT:

AP/IB/CCP Information Night will be held on **Thursday, February 9, 2023, at 6:00 PM** for **rising 11th and 12th grade students**. The night will begin in the Auditorium with a brief information session. Following the information session, families will have the opportunity to move throughout the campus and learn more about our AP, IB and CPCC course offerings. To help families plan for the evening, a document has been created that shows course offerings and where staff will be located following the initial information session ([LINK](#)). These courses are available to rising 11th and 12th grade students.

Between **Friday, February 17 and Friday, March 3**, rising 11th & 12th grade students will have an opportunity to register for an individual meeting with their counselor using the counselor’s [BOOK AN APPOINTMENT](#) link. During this time, students can make changes to their course requests based on information learned during AP/IB/CCP night.

To provide answers to some reoccurring questions, we have created and shared a document with families titled [2022 – 2023 SCHEDULING RESOURCES FOR FAMILIES](#). Additionally, copies of the course registration cards and a copy of the high school planning guide are available [HERE](#).

For rising 10th graders, the following AP courses will be available for the 2023 – 2024 school year when prerequisites have been successfully completed:

AP Precalculus

AP Statistics
AP Calculus AB
AP Psychology
AP European History
AP Human Geography
AP African American Studies - PILOT
AP Government & Politics
AP Physics I (DOUBLE BLOCKED)
AP Environmental Science
AP Computer Science Principles

If a rising 10th grader is interested in one of these courses for the 2023 – 2024 school year and did not register for the course during the registration process, then the student can email [Allyson Davis](#), Assistant Principal of Instruction, and request the change.

Please Note – The order that students input requests into PowerSchool does not impact the probability of a student getting their primary course requests. Once all requests are entered into PowerSchool, then all students will be uploaded to courses via PowerSchool.

Students who are currently a junior and not scheduled for an English class on campus at Myers Park High School 1st or 2nd semester are requested to schedule an appointment on **Tuesday, February 28**, with their counselor to complete their scheduling process.

If you need any assistance, please email [Allyson Davis](#), Assistant Principal of Instruction.

Thank you and we wish you a wonderful evening!
