Interested in completing your graduation requirements in 3 years and adding a year of free CPMC courses? Mark your interest below to receive more information.

- I am interested in more information.
- I plan on the traditional high school route at this time.

We recommend you communicate with your parents, teachers, and counselor when selecting courses for the 2024-2025 school year. Consider courses that will provide a challenging and successful educational experience. **Students who receive the course(s) for which they request may not be allowed to request a schedule change.** There are very few reasons a course may be changed once the schedule is set.

By the signatures below, we have carefully considered the above course selections and understand that all courses we have chosen constitutes a year commitment.
