What is a Title I school?

Title I is the largest federally funded educational program. A Title I school is a school receiving federal funds for students. The basic principle of Title I is that schools with large concentrations of low-income students receive supplemental funds to meet students' educational goals.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:
 - Identifying students experiencing academic difficulties and providing timely assistance to help students meet the state's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parent and family engagement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly-Qualified Teachers
- Being a Title I school also means encouraging ongoing parent and family engagement and advocating for parents' rights

How are Title I funds used in our school?

- Staffing Positions (Reading Teacher, BMT)
- Parent Involvement
- Professional Development for staff (QTEL Training)
- Substitutes for staff professional development
- Tutoring services (HEART Math)
- Supplies and materials (books, student supplies etc.)

What is the 1% set-aside and how are parents involved?

- Any Local Education Agency (LEA) or school district with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA/district level for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district. In CMS, each Title I school receives its portion of the 90% to implement school-level parent and family engagement activities and events
- Title I parents have the right to provide input into decisions regarding how this money is spent. This process is completed through the School Improvement Team (SIT)

Parent and Family Engagement Allocation

How we are spending our Title I funds:

- 1 Take home folders
- 2 Parent Events (Math Night, Literacy Night etc.)
- 3 Take home materials/supplies to support at home learning (ie. back to school supplies)

- Parents and families in Title I schools have the right to be engaged in the review/evaluation of this annual policy

What is the School Improvement Plan/NCStar Plan?

The School Improvement Plan (SIP) is created in an online platform called NCStar and includes:

- A Comprehensive Needs Assessment

A Few Announcements

- **Tardy and Early Dismissal Process**

Please do your best not to be Tardy or have students be dismissed early and miss instructional time. The more time they miss out of school the more of an impact that it will have on their academic performance.

- Parents must come to the door and complete the form using the QR code or type in the bit.ly code using your phone and ring the doorbell for students to enter the building. It is the same process for early dismissal for students to be dismissed from class. Please note no students will be dismissed past 2:15 p.m.
- **Excessive tardies will require resubmission of proof of address information.**
- **Pinewood Parent Handbook** will be available through link sent through class dojo.

A Few Announcements

- **Pick -Up**

Students should be picked up by 3:20. Families that are consistently late picking up students will be asked to utilize bus transportation services or to go to their home school if this is not their designated home school.

Walkers

If you are not a neighborhood walker I am asking that you stay in your car and drive through the car rider line. Walkers are for neighborhood walkers. We are noticing cars parking on the side streets and walking up to pick up students. This should not be the case. You are parking in front of neighbors homes and we are trying not to cause a disturbance. Please do not continue if that has been your practice.

- **Homework**

There will be homework for reading and math for every student. Please make sure that students complete homework. It is important that students are reading daily in order to increase their decoding, fluency and comprehensions skills.

Technology

Please make sure that if and when technology is released to go home they are your responsibility.

- ipad, chromebook and the charger.

students/families will be responsible for replacing any lost items. There will be a fine attached to any damaged technology this year so please talk with your children about taking care of their assigned devices at home and at school.

- if abused technology privileges can be taken away from students.

Thank you for being here!
