

**Bailey Middle School**  
**2025-2026 Instrumental Music Study Interest Form**

Dear Parents,

By this time, your child has attended or will attend in the next few weeks an instrumental demonstration and/or presentation given by a middle school instrumental teacher and students. This opportunity will afford your child a chance to hear and see the various instruments offered in middle school music program.

**Please understand that at this time, specific instruments will NOT be assigned, but you and your child will choose whether he/she desires to be in the band (flute, clarinet, trumpet, trombone, bells and snare drum) OR in the orchestra (violin, viola, cello, and bass).** Instrumental teachers throughout the district will arrange informational meetings for parents and students. Instrument selection will occur before the end of this school year. Please do NOT arrange to purchase or rent your child's instrument until after confirmation from an instructor.

Band or orchestra is a regularly scheduled year-long elective class at the middle school and part of the regular school day. Your child will receive a letter grade each quarter for this class. **If you select Band or Orchestra, we ask that students make a commitment for at least one year.** Please understand this will be the **ONLY** opportunity to register your child for beginning level instrumental music study. **Beginning classes start only in the sixth grade and continue sequentially through twelfth grade. Interested parents need to complete the attached form and return it with your child's sixth grade registration form.**
