What is a Title I school?

Title I is the largest federally funded educational program. A Title I school is a school receiving federal funds for students. The basic principle of Title I is that schools with large concentrations of low-income students receive supplemental funds to meet students' educational goals.

What does it mean to be a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for the following:
 - Identifying students experiencing academic difficulties and providing timely assistance to help students meet the state's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parent and family engagement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly-Qualified Teachers
- Being a Title I school also means encouraging ongoing parent and family engagement and advocating for parents' rights

How are Title I funds used in our school?

- *Personnel*
- *Professional Development*
- *Family Engagement Events*

What is the 1% set-aside and how are parents involved?

- Any Local Education Agency (LEA) or school district with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of the Title I allocation for parent and family engagement.
- Of that 1%, 10% may be reserved at the LEA/district level for system-wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the district. In CMS, each Title I school receives its portion of the 90% to implement school-level parent and family engagement activities and events
- Title I parents have the right to provide input into decisions regarding how this money is spent. This process is completed through the School Improvement Team (SIT)

Some Schools Have an Additional Designation

- NCDPI will notify schools as to whether they have a special designation of ATSI or CSI in November of each year.
- The Every School Succeeds Act (ESSA) requires each state to have a plan to measure student achievement annually
- The plan outlines how each state is being held accountable
