

## **Elbert Edwin Waddell High School**

## School Board Member District 2

Estimated Cost: \$1,563,349 The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

The EE Waddell High School bond project, currently in the design phase, entails a building addition that will provide essential support for the school's specialized program(s). The design is geared towards enhancing the school's capacity and creating a conducive environment for its unique educational offerings. Through this project, EE Waddell High School aims to enrich the learning experience for its students by expanding its facilities to accommodate its programmatic needs effectively.
