Attendance Information

Absence Procedures

The CMS Board of Education policy expects every student to attend school each day. High School students absent from eleven class periods will receive a grade of F for that particular course. This rule applies to all absences, whether excused or unexcused. There may be times that a student must be absent. In the event of an absence, a student must bring a note signed by a parent/guardian stating the reason for the absence(s), the date(s) of the absence(s), and a current phone number for the parent along with any other pertinent information or documentation. This note must be given to Ms. Lisa Starnes, our Attendance Secretary. When dealing with absences:

- Students who miss multiple days of school due to illness or administrative actions should contact teachers through the school website:
<https://schools.cms.k12.nc.us/independenceHS/Pages/Default.aspx>
- Communication with teachers is the most effective method to keep students current with class assignments and on track academically.
- Students arriving after 10:31 am or leaving before 10:39 am will be considered officially absent for the entire day.
- A student who misses more than 45 minutes of a class period is considered absent for that class.
- All absence notes should be given to the front office to assure proper coding is entered into PowerSchool. (excused/not excused)

It is the student's responsibility to contact individual teachers within five days of returning from an absence to make up any work missed. Together with the teacher, a schedule for completion of that work will be made based upon the amount of work missed and the difficulty of the work.

- Excused Absences: Illness or injury, quarantine, death in the immediate family, medical or dental appointments, court or administrative proceedings or principal approved absences.
- Unexcused Absences: Including but not limited to car trouble, oversleeping, inclement weather, lack of electricity, missing the bus, traffic, or truancy.

Absence Exceptions

Field trips initiated by the school, verified late or early bus, pre-approved educational/community activities, religious observance (following the CMS approved religious calendar) with parent note, internships, junior achievement, homebound students approved by CMS, students receiving medical care while receiving CMS services, in-school suspension.

It should be strongly noted that poor attendance and/or excessive tardiness may result in the loss of extra-curricular activities including but not limited to prom, parking on campus, attending athletic events, homecoming, participation in athletics/clubs/etc.

Attendance Rules for Sports and Any Extra-Curricular Activities

Students must be in attendance for at least one-half of the instructional day in order to participate in any sport or activity. Students must have an 85% attendance record for the previous semester and have no more than 13 absences to participate in a sport.

Early Dismissal

Students leaving campus during the day must have **written** permission (phone calls will not be accepted) from their parents or guardian. Notes must be submitted to the Attendance office by 7:15 AM on the day of the early dismissal. Notes must include:

- The student's name and ID number,
- A legitimate reason for the early dismissal,
- A telephone number where a parent or guardian can be reached to verify the request,
- A time for dismissal
- Who will be picking up the student or if the student is a driver
- The signature of a parent or guardian.

Ms. Lisa Starnes will give the student a pass to leave class at the time requested by the parent's note. The attendance office will verify all notes that require the student to drive or be picked up by someone other than the parent. The student shows the pass to the classroom teacher at the time of dismissal. The student must come back to the attendance office, meet their parents, and sign out before leaving campus.

All students deserve a caring and supportive environment to help them grow socially, emotionally, and academically. At Independence High School, we strive to create an environment that is student-centered, celebrates diversity, and prepares students for future endeavors.

CMS Code of Student Conduct:

During the first week of school, the [CMS Code of Student Conduct](#) and the **Independence High School Parent/Student Handbook** will be reviewed with you by your homeroom teacher. Upon completion of this review, students will sign an acknowledgement indicating they understand both the CMS and Independence High School rules and procedures.

- Teachers will explain the contents of the handbook and answer student questions.
- Grade level student assemblies will be held the first or second week of school to better explain and clarify the handbooks.

Independence High School, in conjunction with the CMS Code of Student Conduct, prohibits the following items from our campus:

- Illegal drugs and associated paraphernalia
- Alcohol
- Tobacco products, e-cigarettes, vaping products of any kind, and associated paraphernalia
- Weapons of any kind
- Any substance or object that can be harmful to others and has no educational value

In addition, the following guidelines must be followed with respect to the following items:

- Skateboards are prohibited on campus at any time – do not bring them to school. If they are brought to school, they will be stored in the main office until after school.
- Balloons given to celebrate a birthday or other event are not allowed in class or common areas. These items will be held in the main office for the student to pick up at the end of the day.
- Take-out food/orders should not be placed and cannot and should not be delivered to students.

Disruptive Behavior

Minor behaviors that result in disruption of class shall be addressed by the classroom teacher with appropriate interventions. If teacher interventions have failed and student removal becomes necessary, the student will be referred to the administrative team. In this instance, along with major and more serious disruptions of the school environment, disciplinary action can be imposed as dictated by Rule 9 of the CMS Code of Student Conduct.

Non-Compliance

Non-compliance is defined as the willful failure to comply with the reasonable request by a staff member, the willful failure to complete an assigned consequence, or the willful failure to comply with the rules and procedures as indicated in the CMS Code of Student Conduct and Independence High School Student Rights and Responsibilities Handbook.

Minor behaviors that are non-compliant within the classroom will be addressed by the classroom teacher with appropriate interventions. If teacher interventions have failed and student removal becomes necessary, the student will be referred to administrative team for more stringent consequences aligned with the CMS Code of Student Conduct

Use of Vulgar/Profane/Obscene Language

The use of vulgar/profane/obscene language may result in disciplinary action as dictated by the CMS Code of Student Conduct.

Verbal and Physical Confrontations

Verbal and physical confrontations will result in appropriate consequences as outlined by Rule 26 of CMS Code of Student Conduct. *Students who incite/encourage a confrontation or refuse to disperse at the request of a staff member, will be subject to the same consequences as the students who engage in confrontational behavior.*

Hazing/Bullying/Cyberbullying

Students may at no time be involved in hazing or bullying of other students; the use of electronic media to threaten, bully, or intimidate another student is prohibited and subject to consequences as outlined below. Threatening messages received by the student should be saved or printed in their entirety and brought to an administrator. **Students should NOT respond to the received message or share it with anyone other than their parents, police (when appropriate), and administrators.** Incidents of hazing, bullying, and/or cyberbullying will result in disciplinary action as outlined by Rule 8 of the CMS Code of Student Conduct.

Say Something App [LINK](#)

This program, which fulfills the mandate requirement under 115C-105.51 of NC Law, teaches students, teachers, and administrators how to recognize warning signs and signals, especially within social media, of individuals who may be a threat to themselves or others, and *Say Something* to a trusted adult OR use the anonymous reporting system. Specifically, the program educates participants to:

- Recognize the signs and signals of at-risk behaviors, especially within social media
- Take every sign and signal seriously; act quickly to get help by talking to a trusted adult OR
- Report it anonymously through the SS-ARS 24/7 Crisis Center, mobile app, or website
- Respond to and manage the submitted tip via multi-disciplinary educator and administrator teams
- Sustain the curriculum and awareness via student clubs, in-school activities, and call-to-action weeks

Students often are aware of the problems their peers are facing, so we must empower them to know the danger signs and give them the tools to help each other with the assistance of trained and caring adults. As you know, most conversations take place on social media, therefore it is critical that we teach our students to look out for one another as these digital conversations take place. SS-ARS teaches them what to look for in text, video and photos while empowering them to act quickly to help a fellow student.

Alcohol

Students found to be in possession of, or under the influence of, alcohol will be subject to the following consequences as outlined by Rule 28A of the CMS Code of Student Conduct.

Tobacco/Tobacco Products

Students found with tobacco products, vapes or e-cigarettes will be subject to consequences outlined by Rule 28C of the CMS Code of Student Conduct.

Drugs Other than Marijuana

Students found to be in possession of or under the influence of any controlled substance other than marijuana and/or associated paraphernalia, including prescription drugs without a doctor's order filed with the school, will be subject to consequences outlined by Rule 28E1 and 28E2 of the CMS Code of Student Conduct. Students who need to take prescription and/or over-the-counter medication while at school must have the appropriate documentation completed and on file with the school nurse and the medications (except for inhalers and epi-pens) must be stored in the nurse's office.

Skipping Class/Leaving Campus without Permission

Students are expected to be in class and in the appropriate location(s) at the appropriate time(s) of the school day and may not leave campus at any time prior to the 2:15 dismissal, including going to the parking lot, without administrative permission. Students who leave campus prior to dismissal and return are subject to search by Campus Security and administration. In this situation, at the discretion of the administrator, the student's vehicle may also be subject to search. Students found to be in violation of this rule will be immediately referred to administration due to the security risks associated with this type of behavior and will be subject to appropriate disciplinary action. Students found to be skipping class and/or not in the appropriate area(s) at the appropriate time(s), will be subject to disciplinary action as dictated CMS Code of Student Conduct. Repetitive instances of skipping class and/or leaving campus without permission and/or refusal to follow a staff member's attempt to gain compliance under this rule may be viewed as a violation of the CMS Code of Student Conduct and disciplinary action may be imposed in accordance with the Code.

It should be strongly noted that a student who is a continuous disruption and has excessive office referrals may result in the loss of the opportunity to participate in extra-curricular activities including but not limited to prom, parking on campus, attending athletic events, homecoming, participation in athletics/clubs/graduation ceremonies etc.

Cellphone & Electronic Devices Guidelines and Consequences

Independence High School requires that students adhere to standards of academic integrity and honesty. To that end, the following behaviors are unacceptable and violate the IHS Honor Code and the traits of positive character development:

Independence HS students are expected to take responsibility for any action which might violate school standards and compromise his/her own integrity. It is the student's responsibility to clarify with the instructor any ambiguities about violations of the Honor Code. Students who cheat, plagiarize, or are involved in academic dishonesty will experience the following consequences (cumulative for the duration of enrollment at Independence HS):

1st Offense: Grade of zero on the assignment without opportunity to make up the assignment. Extra credit opportunities are no longer available to the student for the remainder of the quarter. Teacher should contact the parent and inform them of the offense. Offenses will be documented in the student's record by the teacher submitting a referral to an administrator. There will be no additional administrative consequence just recording of the incident.

2nd Offense: Grade of zero on the assignment without opportunity to make up the assignment. Referral submitted to the Honor Council. Teacher should contact the parent and inform them of the offense. The Honor Council will consist of teachers, an administrator, and a counselor. Offenses will be documented in the student's record by the teacher submitting a referral to an administrator.

Consequences imposed by the Honor Council may include detention, In-School Suspension, and/or up to 10 days of Out of School Suspension (in accordance with the CMS [Rights and Responsibilities Handbook](#)).

Other Violations of the Honor Code:

Violations of the Honor Code are not limited to academic dishonesty. Vandalism, stealing, lying, bullying, or otherwise unacceptable, undesirable behavior is not permitted. Independence strictly follows the [CMS Rights and Responsibilities Handbook](#) in determining consequences for such violations.

National Association for College Admission Counseling: Independence is a member of the National Association for College Admission Counseling (NACAC) and adheres to the "Statements of Principles and Good Practice." The policy on reporting discipline incidents and consequences (academic or behavioral) is that if a college asks on its application, the student must answer honestly, reporting any incidents beginning with 9th grade. The counselor also provides a statement confirming the student's answer is an honest one. In accordance with NACAC principles, Independence counselors will notify all colleges that inquired on their applications, of discipline incidents and consequences incurred by seniors after acceptance.

If for any reason it is not possible to be active, communicate with your teacher and counselor regarding the reason. Below is the district guidance on inclement weather.

CMS Inclement Weather Plan

- Assignments
 - Will not reflect new learning
 - Will be standards aligned
 - Will be meaningful
 - Submissions must be a student's original work and follow the honor code

- Attendance
 - Once submitted, the student will be counted present (1R).
