Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in **Lawrence Orr Elementary School**, I am writing this letter to let you know that **Lawrence Orr Elementary School** has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. ESSA Section 1111(d)(2) stated that North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is underperforming. This opportunity intends to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, **Lawrence Orr Elementary School** is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor our school's progress. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for **Lawrence Orr Elementary School** this year:

- The percent of students scoring College and Career Ready (CCR) on reading End of Grade assessments in grades 3-5 will increase from 26.5% in SY2023-24 to 32% in SY2024-25.
- The percent of identified MLL students in grades 3-5 that meet their yearly progress will increase from 29.8% in SY2023-24 to 35% in SY2024-25.
- The percent of Kindergarten through 2nd grade students scoring at or above benchmark in early literacy as measured by DIBELS will increase from 54% in SY2023-24 to 72% in SY2024-25.
- The percent of students scoring GLP in 5th grade science will increase from 63.6% in SY2023-24 to 75% in SY2024-25.

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies **Lawrence Orr Elementary School** will be implementing:

- Meaningful Instructional Planning
- Pace & Resource flexibility
- Strategic Pedagogy/ Instructional Design
- Lesson Internalization
- Intentional Student Engagement

- Evidence of Standards Mastery
- Rigorous & Relevant Assessments
- Timely Data Analysis & Response to Data
