

Montessori Secondary at Marie G. Davis

Renovation Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

School Board Member District 2

The Montessori Secondary School at Marie G. Davis School renovation project involves the conversion of the school to a 7-12 Montessori program. This initiative serves to replace the current Montessori program at J.T. Williams facilities while expanding the program's reach. Simultaneously, the project includes comprehensive renovations at the J.T. Williams facilities, transforming them to accommodate alternative education programs. Through these strategic changes and improvements, the project aims to create a more enriching and inclusive educational environment, fostering innovative learning approaches and providing enhanced opportunities for students.

Estimated Cost:
\$9,174,783
