

# North Mecklenburg High School

## Replacement Project

The 2023 general obligation bond referendum presents us with a unique opportunity to enhance the learning environment and educational opportunities for our students. It aims to offer more academic options, alleviate overcrowding, and support safe schools. Here are the highlights of the project that will impact our school communities:

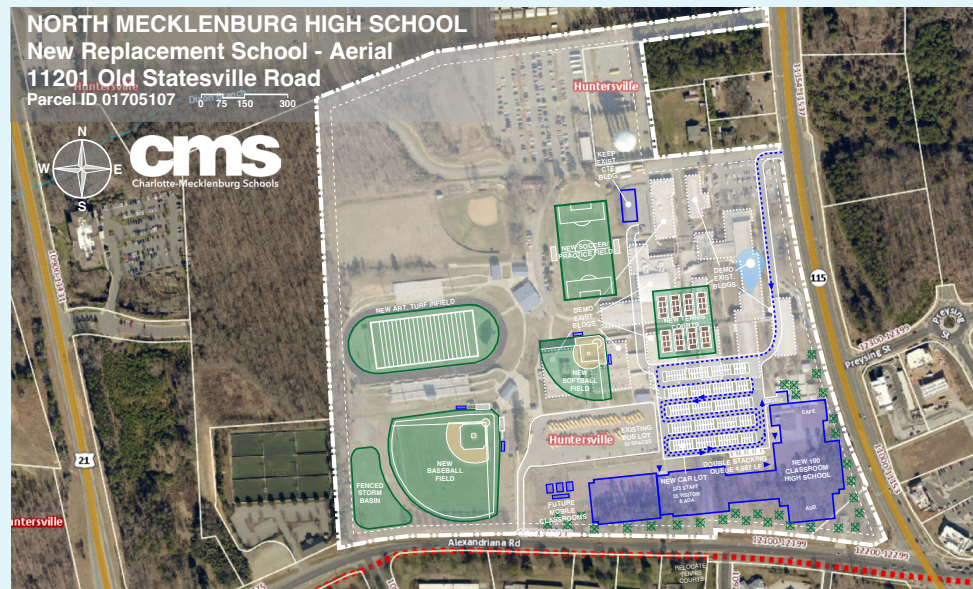

## School Board Member District 1

The North Mecklenburg High School bond project entails a complete overhaul of the remaining parts of the campus. The project aims to replace and upgrade existing facilities to modern standards, providing students with a state-of-the-art learning environment. The comprehensive athletics package will be implemented, encompassing various sports facilities and amenities to support the school's athletic programs, and offering students improved facilities for both academic and athletic pursuits.

**Estimated Cost:**  
**\$228,464,171**
