

## 2024-2025 TSI-AT Parent Notification Letter

11/12/2024

Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that **Starmount Academy of Excellence** has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of **Starmount Academy of Excellence** intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, **Starmount Academy of Excellence** is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support **Starmount Academy of Excellence** improvement efforts. The ATSI plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for **Starmount Academy of Excellence** this year:

- *All staff will utilize data to ensure high quality instruction in order for all students to grow.*

Here are some strategies that we will be implementing to improve student outcomes:

- **Providing access to a strong core lesson that is aligned to grade level standards**
- **Intentional, strategic, and flexible small group instruction in Reading and Math based on data**
- **Students will do the heavy cognitive lifting within each lesson**
- **We have created a targeted ATSI group to support students in this subgroup.**

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call **(980)-343-3630** if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).
- Keep track of our website and social media sites <https://www.cmsk12.org/starmountacademyES>
- Volunteer.
- Join the **Starmount Academy of Excellence PTSA**

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child. Already, we have:

- **Celebrating our Star Students**
- **Acknowledging students who meet or exceed growth throughout the school year.**
- **Conduct daily walkthroughs to ensure high academic rigor**

- **We have partnered with HeartMath Tutoring, Y Readers, ALP, Urban Promise and the Boys and Girls Club.**
