STUDENT TECHNOLOGY DEVICE PROGRAM

AGREEMENT

This agreement is made by and between the Charlotte-Mecklenburg Schools (hereafter "CMS") and the student ("student") and parent/guardian and takes effect on the date of signature on this form. For the purpose of this agreement the term "provided device(s)" shall refer to the mobile device make, model, and all accompanying accessories provided under this agreement.

PURPOSE

The purpose of the Student Device Program is to provide CMS students with the technological resources to receive online, at home, and in-person instruction. The devices being provided are the property of CMS and are to be used for educational purposes only.

- Copy, modify, remove or replace CMS's software, configuration, or the operating system (i.e. hack or jailbreak the system).
- Remove, edit or apply any stickers or labels on any of the devices checked out to the student.
- Under no circumstances should the student, parent(s), or guardian(s) attempt to or allow anyone other than CMS staff to fix or repair the equipment.

STUDENTS MUST:

- Handle devices properly to prevent breakage and drops.
- Properly maintain devices and keep clean.
- Secure and store away CMS devices when not in use.
- Only use CMS provided charging adapter(s) to charge the devices.

CONTENT FILTERING DISCLAIMER

CMS uses technology protection measures to limit or restrict access to material considered harmful or inappropriate to students. It may not be possible for CMS to absolutely prevent such access. Despite our best efforts and beyond the limits of content filtering technology, a student may run across some material that is objectionable.

No user of technological resources, including a person sending or receiving electronic communications, may engage in creating, intentionally viewing, accessing, downloading, storing, printing, or transmitting images, graphics (including still or moving pictures), sound files, text files, documents, messages, or other material that is obscene, defamatory, profane, pornographic, harassing, abusive, advocating illegal acts, or considered to be harmful to minors.

The use of anonymous proxies to circumvent content filtering is prohibited.

NO RIGHT TO PRIVACY

CMS reserves the right to examine CMS devices and search their contents at any time for any reason. Neither students or guardians have any right to privacy of any data saved on the devices or in a cloud-based account to which the devices connect. CMS may involve law enforcement if the devices are thought to have been used for an illegal purpose. CMS reserves the right to require the return of any provided devices at any time.

NOTIFICATION OF LOSS, DAMAGE, OR MALFUNCTIONING

The student, parent(s) or guardian(s) agree to immediately notify CMS personnel upon the occurrence of any loss to, damage to, or malfunctioning of any part of the provided device(s) for any reason. If the device is stolen outside of school premises/grounds, it is the parent/guardian responsibility to contact the applicable local law enforcement agency and file a police report and provide a copy to CMS.

STUDENT TECHNOLOGY DEVICE PROGRAM, CONTINUED

DAMAGE OR LOSS OF CMS PROVIDED DEVICES

The parent/guardian/student are responsible for the cost of repair or replacement at the date of loss if the property is:

- Not returned
- Intentionally damaged
- Lost because of negligence
- Stolen, but not reported to school and/or police

All devices and chargers are the property of Charlotte-Mecklenburg Schools. If you are issued a device, you are obligated to present the device for inspection or collection at any given time throughout the school year. If a student fails to provide his or her device at that time, the parent and student are responsible for the cost to replace the device. If a student damages two devices in a single school year, CMS at its discretion will issue an older, used device to the student or require that the device remain at school.

Fees associated with damages can be found in the Online School Payment system. For further information regarding obligations and damages, please contact your school's principal.

INDEMNIFICATION

To the fullest extent allowed by law, the parent/guardian and their heirs, agree to indemnify, defend, and hold harmless CMS, its Board of Education, and its individual Board members, employees, and agents, from any and all claims, damages, losses, causes of action, and the like relating to, connected with, or arising from the use of the district provided devices or this Agreement.

ACKNOWLEDGEMENT

MUSICAL INSTRUMENT DISCLAIMER FORM

Students enrolled in instrumental music (band or strings) must complete this form.

Instrument Storage Areas

If necessary, individual schools may provide storage areas where instruments may be kept overnight. These storage areas are not individual lockers, but open shelving areas. Since students have access to these areas as well as other areas of campus, the Charlotte-Mecklenburg Board of Education assumes no responsibility for any loss or damage to any instrument stored at these locations, on buses or at bus stops.

School-Owned Instruments

Before a school owned instrument can be assigned to the student, parents or guardians must complete a **Music Instrument Loan Form**, stating students are *financially responsible for the instrument beyond normal wear and tear*. This form can be obtained from the instrumental music teacher.

Instrument Changes

All changes of instruments are at the discretion of the music director.

Instrument Repair

If a student-owned instrument needs repair, it should be taken to an instrument repair shop in a timely manner. Please provide a written note or email from parent or guardian with the name of the repair shop, the date the instrument was taken in and when it is expected to be returned so that your child's grade will not be affected. School-owned instruments needing repair should be brought directly to the music director's attention.
